Synopsis

Grumpy Cat is back with a mission: Teach the world to "NO" everything. She’s collected all her least favorite things and can’t wait to tell everyone what to think about them. Grumpy Cat: No-It-All is packed with feel-good topics just begging for a cranky makeover: kittens, rainbows, smiles, birthday parties, cuddles, and more. Anyone who takes delight in sometimes seeing the glass half empty will love the hilarious new photos and commentary from the official mascot of misery. Where others say "aww!," Grumpy Cat teaches us to say "ugh." Nothing sweet is safe from this famous frown.

My girlfriend was always a cheerfully optimistic person. She was hopeful and idealistic, open to new experiences and trying to improve both her life and the lives of those around her. The pragmatic realist that I am, I knew that I had to save her from these dangerous ideas in order for us to live safe, unexciting, and predictable lives.We tried everything. We spent thousands of dollars on therapy and removed all medications and substances that gave her a sense of well being. I intentionally sabotaged our plans such as vacations and outings with friends so that she’d see the

error of her ways. Nothing.Then came Grumpy Cat. Being both a cat AND a grumpy realist with a unique view of the world, it was easy for my girlfriend to digest the teachings of this sage feline. His insightful observations on babies, laughter, and just happiness in general profoundly changed her perspective on the world.One week later and things have never been the same. We both refuse all invitations to hang out with friends, we've canceled all of our vacation plans, and we spend our free time watching Fox news and complaining about the millennial generation (even though we are in our 20's). Things could be better and we could be happier. Thank you Grumpy Cat, but not too much thanks.

My 7 year old daughter loves this book. She's not a big reader so I try to find her fun books like this. I gave it to her for Christmas along with the Gund Grumpy cat stuffed animal. It was a hit also, now she cuddles up with "grumps" and reads this book to him. :)

I LOVED the book, so funny and cute! Every Grumpy Cat lover should order this! The wonderful-ness (is that a word?) of the book made up for the arrival time, which was a week late. Please take my word and buy this product right now! -PurpleKnifeCat

When I got the book I read the book in ten minutes I didn't realize how much I was reading. Their was 47 pages and every little page was the best thing ever. It was probably one of my most best books I ever read I would get the book it is really good.

It is a funny book. Simple and easy to read. When bored, just say NO.

This book is seriously therapeutic! I bought this as a gift for my husband as he loves grumpy cat. I've noticed that if he ever has a bad day, he looks for this book and I hear laughter not long after. Thank you for making things a little more stress-free =)

Got it as a present for my cousin in France. She is very taken w/Grumpy Cat, and I know she'll love this. I read it first, so I know!

Giving this to a friend for Christmas. This book is hysterical, a must have for any crazy cat lady with a sassy personality.
