Customer Reviews

The classic piano accompaniments transcribed to match the keys for the viola edition.

The score is illegible - content would be great if I could only read it! This is via Kindle - the hard copy is fine.

Great book!!

Three of my kids are learning instruments through the Suzuki method, and it is great. Great method when the parents don’t know much musically.

Ah... the concerti....

Nice to get a less than retail price on this book that we needed for my daughters recital. Thank you!

This is a typical piano accompaniment book for the Suzuki series.The price is reasonable. It is easy to use.
