Synopsis

Katie is crazy for horses! She pretends her bike is a horse, but its missing a mane and tail. She rides a horse on a merry-go-round, but its mane and tail were just made of wood. But one day, her dad surprises her with a trip to a ranch, where she'll get to ride a real horse. Finally Katie's horse dreams are coming true!

Grade Level: Kindergarten - 2

Customer Reviews

K-Gr 2Ã¢â ¬â •These two entries follow the successful format already established in this popular series. In each title, three brief chapters with plenty of full-color illustrations, large font, and ample white space serve to relate a single adventure and a single conflict that young children will easily recognize. On a visit to a ranch in Cowgirl, horse-crazy Katie is totally gung ho, until the size of the horse brings on a few unexpected jitters. Likewise, in Fly High, a misplaced teddy bear interferes somewhat with the thrill of a first plane ride. A consistent cast of supporting characters that includes friends Pedro and JoJo, as well as Katie's kind and reassuring parents, helps the little girl to navigate her world. Each book concludes with discussion questions, suggested writing prompts, and a hands-on activity related to the given topic. Solid purchases for established Katie Woo fans or

where there's a need for beginning readers.Ã¢â ¬â •Gloria Koster, West School, New Canaan, CT --This text refers to the Library Binding edition.

Fran Manushkin is the author of many popular picture books, including Baby, Come Out!; Latkes and Applesauce: A Hanukkah Story; The Tushy Book; The Belly Book; and Big Girl Panties. There is a real Katie Woo Ã¢â ¬â ¢ she's Fran's great-niece Ã¢â ¬â ¢ but she never gets in half the trouble of the Katie Woo in the books. Fran writes on her beloved Mac computerÃ Â in New York City, without the help of her two naughty cats, Chaim and Goldy.Tammie Lyon began her love for drawing at a young age while sitting at the kitchen table with her dad. She continued her love of art and eventually attended The Columbus College of Art and Design, where she earned a Bachelors degree in Fine Art. After a brief career as a professional ballet dancer, she decided to devote herself full time to illustration. Today she lives with her husband, Lee, in Cincinnati, Ohio. Her dogs, Gus and Dudley, keep her company as she works in her studio.

Great book for a second grader

We have almost all the books in the Katie Woo series - this one did not disappoint! Great for beginning readers, and lots of great illlustrations once again!

Daughter loved her new horse book she received for christmas

Given as a gift -

The story was fine, but it took us less than 5 minutes to read the entire book aloud to our daughter. We were expecting it to be the same length as the other Katie a Woo books.

My daughter loves these books!
