Synopsis

The legacy work by one of the most influential experts on Spanish cuisine Penelope Casas was one of the premier experts on Spanish food: She taught Americans about jamÃƒÂ n serrano, Manchego cheese, and chorizo, in addition to countless dishes, from patatas bravas to churros. She wrote several acclaimed books, and 1,000 Spanish Recipes is her final work and legacy. It is the latestÃ¢â ¬â •and a very specialÃ¢â ¬â •addition to the award-winning 1,000 Recipes series; in this unmatched collection of simple, precise recipes, she takes readers on a culinary journey of Spain from Galicia to Madrid to the Canary Islands. There is a wealth of options for tapas (including 18 Spanish omelets); soups (11 recipes for gazpacho); salads; main courses; vegetable, bean, and grain dishes (50 paellas!); breads; and desserts (20 types of flan). Icons for vegetarian recipes, special menus, and features on Spanish ingredients and dishes will engage and reassure cooks. This culmination of CasasÃ¢â ¬â„¢s 40-year career and lifelong love affair with Spanish food will be a treasured cookbook and guide.

Customer Reviews

Penelope Casas was one of the best-known and respected experts on Spanish cuisine. She wrote about food and travel in Spain for the New York Times, Gourmet, Food & Wine, and Conde Nast Traveler and published six books on Spanish cuisine. The Spanish government awarded her both the National Prize of Gastronomy and the Medal of Touristic Merit, and named her Dame of the Order of Civil Merit. She and her Spanish husband guided culinary tours throughout Spain.

It is as comprehensive a selection of Spanish recipes as you can find. It covers the full range of Spain's various regions. It is informative, clearly written and well organized. I have now completed well over two dozen recipes and have not been disappointed at all. This is the type of cookbook that once you start to use it you will begin to understand the nature of Spanish cuisine; you will then be able to add your character to any dishes you make. I think this book is particularly well suited to an experienced cook, not a novice. One of the better books I have purchased and a very good value. Other books on Spanish cuisine may be trendier but this lays the foundation that they are based on.

This book is a collector's item never to be reproduced. The recipes are in fine detail that anyone can follow. A culinary work of art that should be on the shelf of any serious aficionado of Spanish cooking!

Great recipes many of which were made and enjoyed in my home as child

The best cookbook I've ever had!

Love it!!

Now I can look for many different recipes,following easy instructions.

Gave this book as a gift to the chef owner of a wonderful restaurant. Am told it is fantastic.Sad that this fine author has left us.

Discovered many new recipes. Good tool.
