Great collection of songs for kids from the musical stage

It went into immediate use for my Children's Performance Club at The Thumbnail Theater here in Snohomish. A suggestion would be for you to allow us to buy the CDs as well without the book. The online solution is good but I still have to figure out someone to make me a copy of the CD for the performance.

The song book is an excellent resource for my voice students.

This is what my kids voice teacher uses..
