Synopsis

#1 New York Times and USA Today bestselling author Nora Roberts enchants again with this beloved classic about the passionate and headstrong MacGregor family.Daniel MacGregor is at it again.At age ninety, there is nothing the powerful patriarch of the MacGregor clan would like more than to see his three eldest granddaughters happily married. So Daniel MacGregor has handpicked three unsuspecting candidates he believes would make perfect husbands. But this might be his biggest matchmaking challenge yet; his granddaughters are so focused on their careers that marriage is the last thing on their minds. It’s a good thing Daniel has a few tricks left up his sleeve.Ã¢â ¬Â¦

Customer Reviews

In this trilogy of linked novellas, Roberts returns to her popular MacGregor clan series, this time to see the family’s 90-year-old matchmaking patriarch "arrange" for the satisfactory marriages of his three eldest granddaughters. Of course, they are all totally focused on their professions, and marriage is the last thing on their minds?but Daniel wants grandchildren and he intends to get them. Fast-paced, warmly romantic, and filled with deftly portrayed characters, this charming, though lightly plotted story with a Christmas finale is a perfect holiday diversion, and fans, particularly of the earlier MacGregor stories (e.g., For Now, Forever, Silhouette, 1987) will be waiting. The quintessential Roberts, winner of the 1997 Romance Writers of America Lifetime Achievement Award, lives in Maryland.Copyright 1997 Reed Business Information, Inc. --This text refers to an out

of print or unavailable edition of this title.

"Roberts has a warm feel for her characters and an eye for the evocative detail." -- Chicago Tribune --This text refers to an out of print or unavailable edition of this title.

This is one of my favorite series by Nora Roberts. I was downsizing my book collection and buying my favorites to keep on my kindle and I was really happy to find this available in the electronic version.

Again, a story of wedding and marriage mayhem that will probably ring true for anyone who has been part of a marriage as a maid, sibling or parent.

This was just a fun read. Nice and romantic with a bit of humor. Grandpa Macgregor plays matchmaker to his three granddaughters -- all behind their back of course.Laura, Gwen and Julia are unsuspecting busy professional women. Laura, a lawyer, Gwen an ER Dr., and Julia a businesswoman who buys and rehabs properties in Boston. The three of them are cousins and share a house together in Boston. Each gal is quite different in personality but they get along well with each other. Each love story is equally different. The lesson learned that love often happens quite unexpectedly is not a surprise but nevertheless an eye opener each time the story is told. Grandpa Macgregor really knows what he’s doing....much to the shock of some unsuspecting busy singles.I had been reading the latest "Bride series" from Nora Roberts, The Bride Quartet series, and wanted more romance and wedding stories. I found this series from the 1990’s and liked the first installment, "The Macgregor Brides", enough to order the next one "The Macgregor Grooms". Sometimes a girl just have to have a little romance!

I’m working my way through this series as a new fan of this author. This one wasn’t great but I like continuity and there are 3 romances in one book. I’m not going to write a lot since there are so many reviews already. This is not a brilliant example of this author’s work but it is well written and entertaining.

Plots are too easy to figure out.

Love Nora Roberts

good

Daniel MacGregor is determined to marry off his granddaughters, not that he is arranging marriages, he is putting the perfect person for them in their path and letting nature take its course. Its not meddling, its just taking care of his family.I really enjoy Nora Roberts MacGregor series, These books are the closest thing to just a pure romance story that Nora has written, there is often quite a bit of humor in the stories and you get drawn in, even knowing that the characters are going to have a Happy Ever After, it is still a good ride.
