Customer Reviews

I like the format Dr. Boa uses throughout the book. I also love the fact that there is a lot of scripture in this book. It is hard to find a Christian daily prayer book nowadays that isn't long on the author's opinions and short on actual scripture. Great little book!

I love this book as it is one of the best devotionsI've run into at this time in my life. Three years ago my husband died and now our son is dying of Cancer so this book often has to lift me way up in the mornings and it always gives me God's viewpoint to start the day. I am rich in blessings. This book helps me to remind myself of that.

I used Volume One so much it started coming apart at the seams. I like Volume One more than Volume Two because it is a better prayer guide but Volume Two is also filled with awesome scripture.

I am so grateful to have been able to get this book. I love, love the format and the prayers are thoughts and feelings from my own heart, It is so inspiring and encouraging.It was in excellent condition and came 2 days early.

I loved Volume 1, excited to use this one. But note cover... it's Volume 2. The product line doesn't say that, so I thought I was getting Volume 1.

I had been searching for this book for several years. I have the 1st volume & wanted this 2nd one. It is a wonderful way to start the morning by reading the scriptures & praying. I highly recommend it. On this day & time we don't have time NOT to pray!

I love the book. Thank you.

I love this book. It has helped me to take my prayer life to the next level. I like how Mr. Boa breaks down the Bible passages into attributes of God, the works of God, my relationship to God, the character I want to cultivate, my relationship to others. Give it a try - you won't be sorry!!
