Ã¢â ¬Å“If you have one person on your holiday gift list who is of the Ã¢â ¬Ëœthey have everything varietyÃ¢â ¬â„¢ and that person happens to be a fan of fashion or photography, this is definitely what they need!Ã¢â ¬Â•Ã Â (New York Journal of Books)

Phyllis Posnick has been the executive fashion editor of Vogue since 1987. She lives in New York City.

Excellent Book.

Wonderful book!

Of all the Vogue books, this one reveals the magazine at its most creative. Poznick’s vison is original. The collection of photos here are the ones that I plucked from the pages of Vogue and plastered over my desk for inspiration. Color saturated shots and use of of negative space....completely new. Dazzling, diabolical, and wildly romantic viewpoint. And I will always love "Football Face"!Dennis Kyte
