Synopsis

"Cold-water surfing, the most remote surf spots, spectacular photography, illustrations, and custom boards: Surf Odyssey documents the modern cult of surfing as its own subculture and way of life.ThereÃ¢â ¬â„¢s much more to surfing than palm trees and beach boy clichÃƒÂ©s. People surf not only in Hawaii, but also in Norway, South Korea, and India. Surf Odyssey is a book about the world of surfing today and those that live in it. This community is made up of the surfers themselves as well as surf photographers and board builders who are also spreading its distinctive spirit into other creative fields. Comparable to the new outdoor movement, todayÃ¢â ¬â„¢s surfing is about an attitude toward life, a lust for adventure, and a love of nature that one can only find far away from established spots. Surf Odyssey presents this sceneÃ¢â ¬â„¢s places, people, stories, and brands. Its stunning photography is sure to inspire many further surfing exploits."

Book Information

Customer Reviews

"A handsome coffee-table book for the dad who surfs or wishes he did." -The New York Times"For an easy trip to the beach . . . pick up this striking visual homage to surfing. Every page transports you to a world where all that matters is the wave. From a thundering 40-footer off the coast of Tasmania to the Zenlike craft of building a board, the photography captures the terrifying grandeur of the ocean, with smart captions that get to the heart of the sportÃ¢â ¬â„¢s very personal appeal." —MenÃ¢â ¬â„¢s Fitness

beautiful... gorgeous cinematography... amazing surfing !

Great photos. A really good book.

Great collection of content about esoteric surfers and wave riding. Not your typical action shots seen in sport magazines, this book chronicles various big personalites in surfing and focuses more on the lifestyle of these individuals.
