Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

I have not started this book yet but I have skim through a few of the pages and what I have saw it Has a lot of information that I am looking for.

Excellent resource - in layman’s terms. The Start up series is so simple, yet so rich with information and is easy to follow and to understand.

In very good condition

Got to me faster than I expected!
