Synopsis

It is fair to say that Charles Haddon Spurgeon is one of the best-known preachers in the history of the world. It is definite that he was EnglandÃ¢â ¬â„¢s best-known preacher for the second half of the 19th century.He took Christ as his Lord and Saviour in 1850 and just four years later was called to be the pastor of LondonÃ¢â ¬â„¢s famed New Park Street Church. It was under his pastoral care that this Church outgrew its building and had to move to new premises. This new site gave rise to a new name, one that is renowned even today, the Metropolitan Tabernacle.We are delighted to present to you SpurgeonÃ¢â ¬â„¢s sermons in this new series of publications.This book is the collection of 25 of C.H. SpurgeonÃ¢â ¬â„¢s sermons, faithfully recorded and edited for publication. The subject of these sermons is the most important matter of the Holy Spirit. These sermons form SpurgeonÃ¢â ¬â„¢s teaching on Pneumatology. This is a subject associated with much controversy in the modern day Church.It is our hope and prayer that these sermons will bless you just as they did those who listened to the Ã¢â ¬ËœPrince of PreachersÃ¢â ¬â„¢ over a century ago. This is still a treasure of wisdom and encouragement for the 21st century.This volume is beautifully formatted with a complete set of active table of contents.

Customer Reviews

I love this book, and have enjoyed reading the sermons of this spirit filled gentleman. To know that this book was written about sermons that were shared so long ago, and that the wisdom of them are so needed today, confirms to my heart, how wonderful our Lord and Savior is.
