Customer Reviews

Beautifully written story that applies biblical teachings about persevering, even when things are hard or may take longer to accomplish than others. My 5,7 and 9 year old really enjoyed the easy to understand story. It was a great tool to open up a discussion on what perseverance means and how we can apply it to our own lives.

Fantastic lesson, mainstream media loves to encourage giving up when things get tough or trying something else you have a natural affinity for. This book is amazing and it helps me teach my kids that not everything is easy, but it doesn't mean you should give up.
