Synopsis

ItÃ¢â ¬â„¢s Groundhog Day, and everyone is gathered to find out if itÃ¢â ¬â„¢s time for spring. But Groundhog does NOT want to leave his cozy bed in his cozy den. Will the townspeople be able to coax him outside to do his job? Kids will love the humorous antics of Groundhog in this delightful rhyming tale from the author of Sleep, Big Bear, Sleep.

Customer Reviews

This book has wonderful illustrations which the children enjoyed and the story held their interest as well as mine. I have been to seePhil on Groundhog's Day and this book depicts the suspense as well as the delight as they wait for their beloved Phil to emerge and see or not see his shadow. What a clever idea to entice Phil out of his burrow when he is having such a wonderful winter's nap. Loved this book.

Last year, my two year old son got a book Sneezy the Snowman for Christmas. Now, months later, we still have to read that at least twice a week. Because of how good that book is, and how much my son loves it, I bought this book by the same author. The great quality of writing, as well as great

illustrations, continue with this book.If your child likes to be read to, likes to look at the pictures and make up his own stories based on what he sees, then I highly recommend this book, as well as others by Maureen Wright.

I loved the rhyming it teaches kids about poems. It also teaches them about helping others like the kids in the book were helping the groundhog.

The kids loved the simple story-line and the rhyme.

I brought this book to read to my son's first grade class on Groundhog Day. They enjoyed it, and it stimulated a brief discussion about the holiday. My son, at least, said it went very well. I admit I read it a couple of times on my own too. Cute story.

its just fun reading the kids like it

love this product high quality fast ship !

Liked it!
