Synopsis

Kate Lundy, owner of the Tumbling B, and Conn Dury, her foreman, told Tom the rules: men from the cattle drives are forbidden on the north side of town. People appreciated the money the cowboys spent but thought them too coarse to be near their homes. Enticed to come calling by Linda McDonald, daughter of one of the leading citizens, Tom Lundy broke the law and crossed the line. Later that night, he was dead. Outraged by her brotherÃ¢â ¬â„¢s murder, Kate vows to destroy the entire town. But when Aaron McDonald sends east for an army of hired guns, Conn Dury and the men of the Tumbling B soon wonder if the price of KateÃ¢â ¬â„¢s revenge is too high.From the Paperback edition.

Customer Reviews

It was no crime for a young cowboy to want to talk to a pretty girl, but that was what got Tom Lundy killed. The hard men of the Tumbling B, who had survived stampede and Kiowa lance to drive their herd up from Big Bend country, wanted to burn the town down. But Kate Lundy, the Tumbling B's owner, had a better plan. Calling on dozens of seasoned fighters, Kate aimed to strangle the town that lived off cowboy money but had no use for the Texans themselves. With her rugged foreman, Conn Dury, at her side, the proud and beautiful woman might just stand a chance. Because Conn Dury knows all about revenge--and in Kate's wild fight he's out to get some of his own. --This text refers to an out of print or unavailable edition of this title.

Our foremost storyteller of the American West, Louis LÃ¢â ¬â„¢Amour has thrilled a nation by chronicling the adventures of the brave men and women who settled the frontier. There are more than 300 million copies of his books in print around the world.From the Paperback edition.

I’ts Louis L’Amour, for crying out loud. There is no better western writer, and I especially like his non westerns! The Walking Drum is a classic, as is his seafaring and science novels. The man doesn’t get the credit he deserves for this self-taught author is extremely educated and intelligent. I’ve read nearly every one of his books in print, which now exceeds 105. Highly recommended!

I don’t know if it was because this started as a short story, but it was a different style than most of his. Strange cut scenes and a jumping around with the characters. It was like there were four short stories related to each other and just stitched together.

Heading into dangerous territory out of the secure surrounding of his youth he learns to adapt to the world in the western plains and find his true love.

In the 1860’s, the Texas ranchers drove their cattle north to the railroad in Kansas to sell. This is the story of the death of a town after a young Texas cowboy is killed for trying to visit a young girl on the respectable side of town. The cowboy’s sister, who owns a large ranch in Texas, comes back, buys and fences the land around the town, and establishes a new town further along the railroad.Typical Louis L’Amour; I enjoyed the story.

I would really like to write a review on Kiowa Trail, Under The Sweetwater Rim And Utah Blaine (books that I paid for) , but I can’t because never put them on my Kindle account. JUST RIPPED ME OFF!!! I quit ordering books. Can’t afford to keep feeding their bank account.Paul Feagin, El Campo, Texas

love this book

I enjoyed the book very much, as I enjoy nearly ALL of Louis L’Amour’s books.

Not one of his better books
