Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Many old classics that I recognize are here. As well as many that I do not. A great opportunity to play and sing favorites as well as learn new pieces. Simple chords, straight forward format, all the verses--overall a well done collection.

Great book, especially for a beginner. Comes with 9 strum and fingerpicking patterns, but each song also includes tab for its own specific fingerpicking that follows the vocal melody. Lots of songs with

all verses.

Perfect book for beginner guitar players. As an instructor of the music ministry at my church I can say that this book has a lot of familiar gospel songs in a easy to play method

Only the first verse has chords. The rest of the verses are not corded and are listed at the bottom of each song. Not easy to chord and sing past the first verse unless you have memorized all verses. Chords are good though.

This is a great gospel music songbook, I can’t believe how many songs has any better good solid old gospel songs love it!

I am in a praise band and we get lyrics and chords off the internet. This book is pretty easy but it gives some music and time signatures. Our lead player can read the melody notes and come up with leads. Well worth the money. Also has nice strum/finger picking patterns in front for the songs.

very good book it has all the good old gospel songs that i know and love

This book covers many of the "old standards". It gives you staff and tab and chords. Another nice feature is each arrangement has picking and strumming patterns for the chords. It is laid out neatly.Anyone who wants to play some old gospel standard should look at this book.
