Synopsis

An honest and informative text on sex discrimination and the law, THE LAW OF SEX DISCRIMINATION approaches the idea of using law to analyze sex discrimination from a variety of contexts: as an occasion for ideological disputes, as a reflection of contemporary policy debates over the future direction of society, and as part of the historical development of--and response to--feminism. Fully updated for 21st century, this flexibly organized text examines topics that range from reproductive rights to global trends in gender law, and includes appendices that deal with the court system, a brief discussion of how to outline cases, and a glossary of legal and technical terms.

Book Information

Paperback: 512 pages

Customer Reviews

"It is more geared to the undergraduate audienceÃ¢â ¬Â¦(and) also takes into account both statutory and constitutional issues." -Rorie Solberg, Oregon State University"Broad coverage of areas of law pertinent to gender discrimination [and] good choices of leading cases and debates, and of commentary."-Patricia A. Boling, Purdue University

Beth Anne Wolfson is a labor and employment arbitrator, mediator, neutral fact-finder and an Adjunct Assistant Professor in the Law, Taxation and Financial Planning Department of Bentley University, where she teaches courses in "Gender and the Law," "Current Issues in Labor and Employment Law," and "The Legal Environment of Business." She is also an Adjunct Professor at New England School of Law/Boston, where she teaches "Labor Law." Wolfson is a member of the Massachusetts Bar Association’s Committee on Professional Ethics, a past Chairman of the its

Labor and Employment Section Council and ADR Committee, and a member of a number of public and private arbitration, mediation and fact-finding panels. She has lectured on issues in arbitration including "Ethical Boundaries Between Arbitrators & Advocates," "Current Trends in Grievance Arbitration & Diverse Issues Faced by Labor Advocates," "Grievance Arbitration: Pet Peeves & Predictions for the Future," "Grievance Arbitration Training," and "Substantive Law Update: Title VII, ADEA, ADA, and Others," been a contributing author to "NLRA Law and Practice," and has published articles in "The Arbitration Journal" and "The Standard." Wolfson received her J.D. from Syracuse University College of Law and her B.A. from Brandeis University.Carla M Palumbo has a distinguished record of service in law, government and community activities. She has been an attorney with the Legal Aid Society of Rochester since 1984 and Director of the Civil Division since 1990. Included within the Civil Division are the following units: Health Education and Law Partnership, Family Law Unit, Housing Unit and Immigration Unit. Throughout her tenure at the Legal Aid Society, Ms. Palumbo has focused on program development from both a substantive and financial perspective. She provides direct client representation to victims of domestic violence. Ms. Palumbo has conducted numerous trainings and seminars in the area of domestic violence, including the Rule of Law program in Russia. In addition, Ms. Palumbo currently serves as a member of the Rochester City Council representing the Northwest District of Rochester. She served as Minority Leader of the Monroe County Legislature and a member of the County Legislature for 5 years. She is Vice-Chair of the Board of the Rochester Arts and Culture Council and a member of the Board of Directors of the New York State Bar Foundation. She received her law degree from Syracuse University College of Law, in 1982 and her Bachelor’s of Art degree in Spanish and Italian from SUNY at Albany in 1979. She is the recipient of the 1999 NYS Bar Association Public Interest Law Award and the 2000 YWCA Women First Award.

So here is the explanation for only one star: "Text not available due to copyright restrictions." Throughout the entire book, literally each chapter, there is a nice chunk of seemingly important information that is grayed out with this message. I say that this information is important, though I have never seen it, because each of my professor’s assignments come from these chunks. I have been on the phone with customer service for over half an hour, and they insist that this issue has never come about. However, doing a quick search on the Kindle forums indicates that this is a lie. Please, save yourself the trouble and just buy the print version.

Very informative and full of useful knowledge about laws and court cases throughout United States

history that have dealt with differential treatment between individuals or groups of people based on their sex or gender.

an interesting look at the progression of US law, from women being considered property to the current fight for work equality.

very interesting book. insightful. eye opening

Pages 173-220 missing upon arrival. Contacted the publisher and they have refused help. Kinda disappointed.

This used book was perfect for class. Not a lot of marking which was important for me. I like to make my own decisions as to what is important or not.

Fast Shipping. Just as promised.

book condition is decent, it is perfect for its price. A little wear and tear here and there but it is much cheaper than new and not marking or anything inside. thank you
