All I can say is keep your head up. I enjoyed reading your story and this will help a lot of young people. To be careful who they trust

I believe every word. I couldn’t put it down. I encourage you to read her story. I will be tuning in to RHOA with my eyes opened.

Very good book that tells the life of Angela Stanton and exposes phony phaekdra as the liar she is.

Just Speechless, God will make a way. A true testimony of God’s deliverance. God is your Vindicator. Be Blessed and Live

Everyone that watches RHOA. This explains why Phaedra abandoned her husband when he got busted for fraud. Unbeleivable!!! Great work by this author!

The Phaedra described in this book seems to identify with the Phaedra from the housewives reunion part 4. Im just saying as C tha God says... "When someone shows you who they are... believe them."

Angela told the truth on Phaedra Parks. It was an interesting read. It’s sad that a person can be so manipulative and demanding.

A must read for those seeking the truth!I could not put the book down. God Bless you Angela Stanton
