Synopsis

The book summary gives all the advice in a no nonsense and quick format, enabling the person to get through it quickly. The Total Money Makeover presents all the salient points in short so that the listener does not have to wade through the entire book - and spend a lot of time doing so - and still reap all the benefits, without spending too much time on the entire book. About the author: Ant Hive Media reads every chapter, extracts the understanding, and leaves you with a new perspective and time to spare. We do the work so you can understand the book in minutes, not hours.

Customer Reviews

I am surprised by how much I learned from this quick summary. I've read several books and have done quite a lot in terms of budgeting for our family but I was still able to make a page of notes in my notebook! I would definitely recommend this book to anyone looking to improve their financial health.
