Good product. Received it in a timely manner. Would buy again.

I love this DVD. If you want to know WHY you are forever in debt, watch this DVD. If you want to know HOW to get out of debt and actually move forward financially, watch this DVD. This is a must-watch for anyone who has debt of any kind: credit cards, car loans, student loans, etc.

Love it

I am a big fan of Dave Ramsey, took his entire course through my church; have ordered books and dvds for my children to get off on the right foot with their finances!

Everyone should see this DVD
