The Afghan Crochet Patterns book by author Cathy Crochet contains vintage, old-fashioned patterns that were made in the past. Some of the patterns our designed for crocheting while other

patterns are designed for knitting. You will see photos of the various afghans found in this book. Some of the patterns you will find include:SunflowerOrkney AfghanPopcorn Square AfghanFlower GardenStardustYou will find a chapter called general directions and abbreviations used in this book.Recommend with caveats given.MR

The pictures in this book suck!! I love to crochet but this book does not explain things well! Would love my money back

There was only one Afghan pattern I would make. In the pictures there were two afghans and always instructions for the one I did not want. ÃƒÂ Ã Å¸Ã ËœÃ â ¢ÃƒÂ Ã Å¸Ã ËœÃ â ¡ Oh well, I have the book, maybe one day I will change my mind about them.

Very hard to follow. Black and white photo's. No stitch photosWould not recommend, very disappointed. Will keep looking for good instructions

A lot of great patterns and instruction for the beginner to the high intermediate. As a crochet only skilled person, I was thrown, or at least miffed by the Tunisian crochet and knitting portions of this book... I would like to have seen more on different stitches, rather than multiple patterns using basic stitches.

The Afghans in this book is suited for those with an above beginner skill level. There were only two afghans I liked but would not duplicate, but to each there own.

I have been knitting and crocheting for nearly 50 years and this is one of the best instructional books I have purchased. I would have given it 5 stars if alternatives for the yarns listed were either in their own section or on the pattern page. Can't wait to get started on the afghans.

Here are some lovely antique patterns worth more than a look. I would have given it a fiver, but I thought one of the patterns was repeated. Nice assemblage though. Very impressed.
