"If you want to get to know a country and its people, get to know their food." Ã¢â ¬â •The Bloomsbury Review

Recipes in this book were provided by Trieu Thi Choi and prepared by the chefs of the Saigon Floating Hotel, in Ho Chi Minh City, and coordinated by Marcel Isaak.

Easy step by step directions on what to do and how to prepare each meal. Great book for beginners and people who want to learn other cultural food. Some of the ingredient maybe a little scary to work with but trust me, it comes out lovely.

This is a very good book to learn cooking Asian, particulary Vietnamese food, of which I’m a big fan. The recipes are great, some of the ingredients needed are hard to find in this rinky-dink town I live in, but I manage, sooner or later. You cannot go wrong with this in my opinion. Enjoy!!!

great book

a lot of yummy looking recipes

love this book easy to follow recipes and quick to cook taste great and the books were in great shape

A bit too exacting for what I need at this point in my learning to prepare more food in the Asian Style.

This book is not so authentic recipes Vietnam foods.

This book is bad in so many ways. It has very few recipes and is not worth it’s price. The recipes it does have are mostly too exotic (frog’s legs!!) for my family. I was kind of hoping for more mainstream dishes like mom used to make but minus the msg and obscure measurements :) Also, the instructions are unclear, poorly detailed, and overall very poorly written.
