Perfect!

Helped me book Contracts! Couldn't have done as well without this book. It is basically described in the title. It explains an area of law and then it lets you test out your understanding. Then it explains the answer.

This book does an excellent job of explaining difficult topics. Like the UCC 2-207 Battle of the Forms. I really like the Q&A compared some Q&A books that have questions that are too easy.

Though it provides clear details about contract in general some of the topics were not specifically discuss in details.

Very Helpful!! Highly recommend for all 1Ls. Do not wait until after midterms to purchase!! Order from the start and work through the examples.

Great supplemental reading for understanding contracts. I don't know how I could understand contracts without it.

Best supplement I've used in law school so far. Much better than the property one in my opinion. Wouldn't have passed Contracts without it.

Super helpful for any 1L attempting to learn contracts from a prof who might not teach it as well as you'd hoped.
