Customer Reviews

I was a compulsive gambler and did not know how to get over this habit. This book came as a boon for me as I finally realized that I was afflicted by a mental disorder. Bradley Chiappini has described in detail methods of self help for gambling addicts that proved to be very effective in my case. This book is certainly very useful for gamblers unable to overcome their addiction.

I grew up and watched my father battle with gambling for years. It has been a very hard situation and eventually he lost everything. This book i have invested in because it my light of hope for my father. I really never understood why people because so addicted however this book has thought me so much. Everything you never really understand is in this book. I am happy i took the opportunity to read. Must recommend.

As a compulsive gambler on sports I realized what my issues were after reading this book. I never realized how stress could play a significant role in my life and alter my behavior. With my stressful personal life and work taking over my schedule I was looking for alternative ways to find satisfaction. Thanks to the book I now made significant changes in my life and was able to pinpoint my gambling issues. I was able to seek help and I recommend this book to anyone that has a gambling problem.

Many people are into a game of luck through betting but getting yourself too involved that it can ruin one’s life is not nice anymore. This book gets you to know if gambling is just a mere pastime or an addiction already. Has sound advice on how to overcome addiction and get your life’s direction be back on track. Good book!

A useful guide for gambling addicts because it teaches how to recognize your problem and why it is there. Explains what treatment options you can find and motivates you to commit to recovery. Helps you to change your lifestyle, choose healthy alternatives and keeps you on the path to recovery.

I am guilty of being a gambler and part of my recovery is finding books like this one. I am determined to leave gambling behind after reading this book. I want to be set free from this kind of addiction that I have.

Good advice for learning step by step how to overcome compulsive gambling.

A very informative guide. Gambling addiction hinges on many of the psychological and behavioral processes of other addictions. There are many practical applications for treatment, as well as clear explanations of causality in this book.As well as giving me great tips to help me recover. This book helped me overcome my habit. I couldn’t have conquered this addiction without this book. Gambling addiction impacts the whole family...and recovery does as well.I wholeheartedly recommend this book not only for gambling addicts seeking or in recovery, but as a "must read" for spouses and family members of the gambling addict. if you have a loved one, close friend or relative that has a gambling problem you should read this book You will be able to have a firsthand look at the hidden devastation of problem gambling and how to cure it for good.
