Synopsis

Become an expert in dozens of card games Bridge, cribbage, whist, poker, rummy, hearts, solitaire . . . itÃ¢â ¬â„¢s truly amazing how many clever uses people have devised for a simple deck of 52 cards. And Teach Yourself Card Games covers the best of them, offering easy-to-follow instructions on how to play dozens of games, including the classics and perennial favorites as well as exotic games from around the world. Suitable for readers of all levels of experience, it is both a handy reference and a guide for experimenting with new games.

Customer Reviews

David Parlett

This book is well written, with easy to understand directions and easy to follow examples. I recomend this book to anyone wanting to expand their card game repertoire.

very nice . just fine. my company need it , good . I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don’t be afraid, just order the product and enjoy your bread.
