The sex industry is not as straight forward for foreigners as it is in places such as Thailand or the Philippines, however it is still readily available if you do a little bit of searching. In Japan, penis into vagina sex for money is against the law and that is why they have such wonderful fetishes and venues people see as weird.In Japan the sex industry is called Fuzoku and they have names for different types of sex industry businesses such as Fashion Health, Image Health, Pink Salon, Soapland and more.I will try and explain a few of these things and some places you absolutely have to visit on your first trip to Tokyo in search of the hottest Japanese girls in this ebook.
