Synopsis

UPDATED 2ND EDITION AS OF DECEMBER, 2015. DONT MISS IT! Budapest by a local has been designed to provide you travellers with an insiderÃ¢â ¬â„¢s perspective to the charming and bustling Hungarian capital. Budapest is a unique place in Europe, with a unique language and an interesting development over time. In the first chapter you will be introduced to the magnificent Ã¢â ¬Å“Pearl of the DanubeÃ¢â ¬Â•, which has so much to offer and in the second chapter, you will find out fun facts that you probably didnÃ¢â ¬â„¢t know about this hidden gem. To begin your travel you must get acquainted with the city and that is what Chapter 3 intends to do by providing a layout structure of Budapest, to make getting around easier. Budapest is located on the banks of the Danube and in fact the whole city revolves around it. You can enjoy the Danube by booking one of the many cruises available for all intents and purposes, from wine tastings to dinner and music cruises. Read about in Chapter 4 Ã¢â ¬Å“Cruising the DanubeÃ¢â ¬Â•. In Chapter 5 you get to discover Budapest through a localÃ¢â ¬â„¢s eye, with a guide to the best thermal baths, important historical and cultural sites, markets, interesting facts about the Jewish legacy in Budapest and a Bonus Tip (one of my favorite things to do in Budapest). Music is such an important part of BudapestÃ¢â ¬â„¢s cultural life. Live music is available everywhere around the city and you can attend wonderful classical music concerts or modern music festivals. Read about it in Chapter 6: The City of Music. Not all treasures and man made in Budapest. Au contraire, Budapest is home to some pretty amazing parks that are more than just trees and benches. Find out more about in Chapter 7: BudapestÃ¢â ¬â„¢s Natural Treasures. After all this sightseeing and strolling around parks, you are bound to get hungry and the Hungarian cuisine is presented to you in Chapter 8: Hungry in Hungary. Hungary is also known world wide besides it scrumptious gastronomy for its delicious wines and no visit to the capital is complete without relishing in our wines. Ã¢â ¬Å“Wine in BudapestÃ¢â ¬Â• will tell you where to go for wine tastings or what wine bar to try during your visit. Budapest has a great shopping scene, ranging from luxury stores to local designers department stores. YouÃ¢â ¬â„¢ll want to sport your new outfits in our sizzling hot clubs. Know where to do both by reading Chapter 10: the shopping scene and the vibrant nightlife. If youÃ¢â ¬â„¢re not into clubbing but still want to have an authentic Budapest experience, you can try some of our unique ruin bars, which are quite a phenomenon lately. For my personal favorites, read chapter 11: The Budapest Experience: which are the best Ã¢â ¬Å“ruin pubsÃ¢â ¬Â• Finally, I bid you ViszontlÃƒÂ¡tÃƒÂ¡sra (Goodbye) from Budapest in the last chapter, not before I present to you one more time what makes Budapest so attractive to tourists and the increasing expat community that has decided to make this city their new home.

Tired of the typical boring guides? This guide tries to do the same as the Ã¢â ¬Å“ask a localÃ¢â ¬Â•, but it is (maybe!) better organized and more complete. In all our guides, we hire a Ã¢â ¬Å“localÃ¢â ¬Â• writer, and then we edit to be sure that the guide is complete, unique, fun and interesting. Typically we wonÃ¢â ¬â„¢t add maps or photos, since you can have all that on the internet, and we like to give you only unique and original content that you wonÃ¢â ¬â„¢t find easily.

I have travelled through a few European cities and had numerous guide but reading this book I have just been enlightened that the best of thaws guide is local guides. I have not been to Budapest and Croatia yet but it’s like I have been there already through this book, I enjoyed the tourism of Budapest and pest- The thermal springs, Parliament building, the biggest arcade museum, synagogue, the tremendous zoo housing over 1000 species of animals and also learnt the history of these great cities. In allergies I look forward to experiencing the sziget festival; the trill and the experience which takes place.at Budapest every August and the marvellous history Croatia.You know the only experience I have from Obuda in Budapest is the taste of it’s natural wine, which is of a kind. I look forward to experiencing hungry in Hungary, the numerous delicacies of the Buda town feeding pattern. This book is a great guide book and I assured it’s users a great experience in Budapest, I recommend that Well annotated maps of the city: it regions divisions- Buda, pest and Obuda, it’s rivers which is unique in Europe as it has the largest number of natural bath in the world, should be included in the book.

The beautiful Budapest!If it were up to me I would be traveling every day, and I would know every corner of the world, but as fantasy is far away from reality and I can not afford such trips, so I settle with reading about them.This tour guide is fantastic, the detail of the pictures gives it much more professionalism and it is impossible not to fall inlove with this country. Every tourist attraction, each representative landscape is marked in this guide as a obligatory visit. There are not many things to say about this guide when you can summarize it in one word: Perfect! I liked it very much.

Not a usable guide book in the Kindle version. I have a Paper White Kindle. The text is fine, but the colored photos and maps are not usable in this format. It was readable (viewable) only on my lap-top computer. Not a usable reference tool when you are traveling and want a quick map check for locations of the attractions.I ended up buying a paperback version, which was much more effective in use.

Sometimes it is best to get the opinion of a local before you decide to to travel to strange lands to you. This book has some great information on the history of Budapest. One neat thing about this book is that it talks about different places that one should see in Budapest, from the eyes of a local. The book also talks about different places to listen to music, natural treasures to visit, places to eat and even places to enjoy local wines.

I am planning for a tour of Budapest so i purchased this book for my help. Excellent guide book. You will be glad to know lots of information about Budapest. This book contains the total information of this city. It will give you the full colors maps and images. It will also inform you about the top attractive and beautiful places that you should not miss those. So grab a copy now and start to make a plan of traveling in Budapest.

This book was great! We are only going to be there for 4 days, so this book provided the highlights; not like many travel books that go into minute detail. Thanks for providing this book on Kindle!

A great find. I purchased another one of the writer’s books about Greece and now after reading this one, I want to travel on an adventure to Budapest. Such a great guide.

IÃƒÂ¢Ã â ¬Ã â„¢ve had young friends who have traveled to Budapest, a few of whom are still there. They liked it so much they are now expats and live there most of the year. This guide, written

by a local, tells of what itÃƒÂ¢Ã â ¬Ã â„¢s like to live there as well as merely visit for vacation. I learned quite a bit from this short but packed with information book. I didnÃƒÂ¢Ã â ¬Ã â„¢t realize that the Danube flowed through the city and it was named for two cities one on each side of the river. Buda and Pest. I did hear from my friends about the thermal baths that many visitors use for healing. Budapest has more thermal springs than any other city in Europe. The youthful atmosphere and pulsating nightlife sounds great and at last I got an understanding of the ÃƒÂ¢Ã â ¬Ã ËœruinÃƒÂ¢Ã â ¬Ã â„¢ bar.If youÃƒÂ¢Ã â ¬Ã â„¢re on a budget there appears to be many hostels and budget friendly hotels. I also didnÃƒÂ¢Ã â ¬Ã â„¢t realize that the Sziget Music Festival, held on one of the island in the Danube is the largest music festival in Europe. A true young personÃƒÂ¢Ã â ¬Ã â„¢s dream of a city.
