Synopsis

Kimberly Clark never had the chance to experience the joys of becoming a teenager. Instead, she experienced the viciousness of verbal and physical abuse by a mother succumbing to the powers of a mental illness.In and out of foster homes and juvenile placements, her life begins to spiral downward at an alarming rate. After turning to drugs at the young age of fourteen, she makes a shocking disclosure. Her daddy had molested her.Did he really do it? Was there some other motive behind her confession? Did someone put her up to it? Or, was her daddy to blame for what he got?This book is based upon a true story of child abuse and contains passages that some readers may find disturbing. All names and places have been changed to protect the identities of those involved.
