Synopsis

When Sarah returns to Vankara, she instantly realizes that war isnÃ¢â ¬â„¢t the only conflict sheÃ¢â ¬â„¢ll have to deal with back home. Her relationship with Gabriel is strained when he learns the truth about who she is and the secret Dracen has been keeping from him all this time. With the revelation of who Gabriel truly is to her, Sarah must decide what her feelings are for him. She relies heavily on the strength of her new relationship with Fallon to retain her sanity. Not only must she deal with the personal conflicts in her life, but she must also find a way to come to terms with a new, and potentially destructive, secret that reveals itself in an unexpected way.As Sarah and her new allies, the dragons, prepare for war, she remains mindful that everyone is relying on her to lead them to victory. Gregoire, the commander of the dragons, is on a personal mission to stop his brother, Tyr, from accomplishing his goal of enslaving humanity under dragon rule. Needing to set right his brotherÃ¢â ¬â„¢s wrongs, Gregoire is prepared to do whatever must be done to stop Tyr.War is never an easy undertakingÃ¢â ¬â •much less one that was unprovoked. With her new allies standing beside her, Sarah prepares to take back her country from Nuala, Queen of the Fae, and finally bring peace to her island nation of Vankara.

Customer Reviews

This was a great book. There were some slow parts in the book, but overall it was a good book. It was well written and the characters were easy to follow. I was glad to see that all the characters were given some sort of closure in this book.

I loved the. Watcher series and hope that saga continues, but I truly enjoyed this one too. There's still so much more to this saga too. Please write more. Thanks..

Plans for the war are made, arrangements for allies are put together and still there are always some twists to the story.Read and enjoy.

Magic, shifters, dragons and queens. This three books are quick reads because you never want to put them down! WAR of Atonement did have a good ending but I do hope the author continues with the series eventually. The author could even have the next book mainly be about the dragons, one of the allies or children. I highly recommend this series !

Another amazing trilogy!! Sarah's life as a shifter draws you in from the beginning, but add in dragons, war, love triangle and who is her unborn childs daddy and you have a page turning story. Could not have asked for a better and long overdue ending!!

I like her books, great fantasy read. Stays with the characters, and their personality's as apposed to sexual content. Sometimes its just nice to read a good story.

What an ending to the Vankara saga it was incredible!!! I loved the way all loose ends were tied up, but was sad for Gabriel. As always with Ms West, great great read. Total Awesomesauce!!!

Beautiful story from beginning to end. The story grabs you and pulls you in, And you end up caring about what happens to the characters.
