Synopsis

As the son of an automechanic, racing great A.J. Foyt grew up in the world of fast cars. Foyt dropped out of high school in order to pursue his passion for auto racing full time. It was a risky gamble, but it paid off: Through hard work and determination, he eventually became the only driver to race in the Indianapolis 500 for 35 consecutive years, with a total of four wins. From driving midget cars to winning championship races, this inspiring new full-color new biography is the compelling story of how one man’s dream of race-car stardom became a reality.

.,."appealing...action-packed color photographs...a good choice for current enthusiasts or reluctant readers exploring a new interest."

Josh Wilker has a degree in writing and literature from Johnson State College. He is the author of numerous children’s biographies and history books, including a biography of Julius Erving for Chelsea House.G.S. Prentzas is an editor and writer who lives in New York. He has written a dozen books for young readers, including a guide to the 1994 Winter Olympics and a biography of football great Jim Brown. He is also the author of Mario Andretti in Chelsea House’s Race Car Legends: Collector’s Edition series.

This book is way to short. I finished it in about 1hr and I’m a slow reader. I was looking for a more detailed book that got into his life and racing career. This book gave a very brief description of his

racing career. If you want to know about him its okay, but if you really want to get into the specifics of his racing career this is not the book for you.

Too me an hour to read book. Not much meat there.

Great book about a great driver. If you have never met AJ Please try to do so if you can. He is an American Racing icon. He has done it all,His way. And you surely don't ever want to anger this man. Enough said. A true racing hero.

But there's no way on God's green earth. That I will pay $15.00 for a book that has only 72 pages.
