Ok, Britney. This book was great, I couldn't put it down. It had quizzes and it had this one quiz that I loved. It was actually hard for me. It was interesting it had an interview with her, a 50 question quiz, and 50 fun facts. It had pictures from Britney's concerts or Britney and her fans. It had pictures of Britney just hanging out. It had pictures of Britney through out her school years. Ith ad also information on Britney that I didn't even know. So if you are a Britney fan this book is for you. If you think you know Britney well, you don't! Not until you read this book. Plus, her little sister Jamie Lynn is absolutely gorgeous just like Britney.
