Customer Reviews

Steve Johnson offers 21 of the best rides in and around the Minneapolis/St. Paul area with detailed ride descriptions, easy-to-read maps, and technical difficulty ratings that make it easy to find trailheads and follow trail routes

This is a great book describing in detail many mountain bike trails around Minneapolis and St. Paul. It even has diagrams showing the elevation changes in the route. The only problem: This book has celebrated it's thirteenth birthday, and is VERY outdated.
