Excellent and very new guide book (1st March, 2015). It gives a good history, descriptions, maps, and photos of many places, where to eat, where to stay, places of interest, and many other things.

The cover is made with a waterproof coating which will protect it.

Some decent pictures but not particularly informative. I wouldn't recommend this guide for anyone planning a trip to Namibia.

A great book to read before a trip there.

Very good travel guide.
