Customer Reviews

"Replete with colorful characters, hair-raising action and enough raw machismo to knock over an elephant."Ã Â —Kirkus Reviews on Race to Dakar"Both McGregor and Boorman prove themselves to be engaging, articulate and entertaining narrators . . . a highly readable and spiritually uplifting book about a dream come true."Ã Â —Wanderlust on Long Way Round --This text refers to the Paperback edition.

Charley Boorman is the author of By Any Means andÃ Â RaceÃ Â to DakarÃ Â and coauthor with Ewan McGregorÃ Â of Long Way Down and Long Way Round.

I just can not put these books down once I start them. Charley is an excellent author and I have followed his journeys from the very beginning. Long way round to the Dakar, Tokyo and then on to the wild frontiers and all points in between. The books are even better than watching the shows and I can't wait to start the next one.

again just as described, a great read.

No problems. Great Service.

He is such a regular bloke with such fantastic adventures! Book was not in pristine condition but it was definitely acceptable and my husband is very picky about his books!

Succeeds in transferring the excitement of the adventure to the reader. Looking forward to his next adventure. I love all things Charley Boorman.

Charley could have spiced the adventure by reducing the minutia of everyday travel (repetitive) and inserted more stories that reflected the peoples he encountered along the way. There was no "real purpose" to the book. I labored to get through it.

Enjoyed it great journey. Could hear Charley's voice as I read.

Received the book in a timely fashion, but it was not accurately described. There was a binding problem with one set of photos offset vertically about 3/4" and the book trimmed that way. Obviously a manufacturing problem causing the book to be a "second" or defective and not as advertised. I would not have purchased the book if I had know of this defect.Seller should be more candid.
