Customer Reviews

In my opinion, Taiwan is one of the best place to visit in Asia. As a person who really likes travelling, I will definitely go to Taiwan as one of my destinations. That's why I need a travel guide, especially since I've never been there before. I tried to find a guide and luckily I found this amazing book. This really provides a lot of useful information for me, especially for the tourists who never been there before, like me. The author made a well written book, easy to understand, and also with a lot of great looking pictures. It's a highly recommended travel guide book!

Great travel book with lovely photos and exciting information. I really enjoyed reading it. I like the way the author simply describe places without filling it out with complicated explanations.
