Synopsis

India is a country of vibrant and enticing contrasts: exquisite palaces are juxtaposed against simple temples, and modern high-tech industry coexists with ancient customs and rituals. There's much to see and do in this vast and geographically diverse country, and Fodor's Essential India covers the must-see sights better than anyone else. Expanded Coverage: India is changing rapidly, and this guide includes the best new hotels, restaurants, and more in its vibrant cities and stunning countryside, from Delhi and Rajasthan to Mumbai and Goa. New to this edition is popular Kerala, in southwestern India, known for its beaches and lush backcountry. Illustrated Features: Full-color, illustrated features on the iconic Taj Mahal, the holy city of Varanasi on the Ganges, and the amazing cave temples at Ajanta and Ellora give travelers a deeper understanding of these historic sites. The Ã¢â ¬Å“Portrait of IndiaÃ¢â ¬Â• chapter, with illustrated sections on modern society, religion, food, dance, music, and shopping, provides insight into contemporary Indian life as well as the past. Indispensable Trip Planning Tools: A full-color, 12-page feature on getting around India includes indispensible information on buses, trains, taxis, and rickshaws, along with tipping information and an easy- to-use Travel Times Chart. Great Itineraries cover the Golden Triangle and various add-ones, making trip-planning easy. Each chapter contains Top Reason to go, a spotlight on regional cuisine, and regional planning and transportation advice. Discerning Recommendations: Ã Â FodorÃ¢â ¬â„¢s India offers savvy advice and recommendations from local writers to help travelers make the most of their time. FodorÃ¢â ¬â„¢s Choice designates our best picks, from hotels to nightlife. Ã¢â ¬Å“Word of MouthÃ¢â ¬Â• quotes from fellow travelers provide valuable insights.

Was very helpful in planning trip and during trip. Great feature that it focused on areas that we, as so many tourists, visited. Did not have to carry a heavy guide book with info on areas we were not going to visit. Plus, greater detail on the areas in question.

Love fodors. Great advice for nice hotels. My only criticism is that there isn’t enough info. We also got the rough guide which provided a lot more info and options overall. Fodors was great for suggesting nice, higher end hotels, but lacked the detailed city info.

Used this 2013 guide all over northern India and learned much info from it in advance of each stop. Highly recommend over other travel guides due to smaller size and weight and up-to-date facts.

It did give some good information but definitely not enough info on lodging.Been to India twice but it has been many years and I do know there was much more that could be said on lodging which I wanted specifically . However there is some good info in book.

All in all the book really provides a lot of details and insights. However several times we struggled to find the sights described. Also many locals didn't understand the English name used in the book for a certain temple or sight so that even asking cab drivers would not often get us anywhere. Street names are hardly ever displayed anywhere so that doesn't help finding the building you are looking for. A more detailed map with a landmark or even better a small picture of the sight described would have helped us a lot to find the sights easier.

good book. helped on our trip

seems very helpful in planning my trip.

Great Information. Very helpful
