Capture something meaningful every day.Philippa Rice's enchanting Soppy comic is now a guided journal for two to complete.Ã Â It's all about documenting your relationship, your feelings, and your lives together.Ã Â You can fill it in in order or skip ahead and complete any page you like.Ã Â You can write or draw your answers.Ã Â If you both want to complete the same page, use different colored pens.Ã Â Keep this book around and fill it in every once in a while.Ã Â By documenting the small moments in your life, you can appreciate them more.Ã Â In this book, you can capture a time in your life that you can look back on in the future and remember how it all felt. The prompts and Soppy comics throughout this book will inspire journal writers with thoughtful questions and interactive content, such as "Sketch your facial expression for that day;" "Check off whether the day was 'stressful,' 'productive,' 'gloomy,' or 'different';" "Rank your three favorite things;" and "Let's never forget." A delightful little relationship journal!My girlfriend and I have long been fans of Phillipa Rice (especially the original Soppy) and this brings a level of interactivity to her work. The charming selection of writing and doodling activities encourage reflection and creativity.I look forward to seeing more of what Phillipa produces and wish her the best with the new baby!

Very cute and fun!

I bought this thinking it was maybe kind of a sequel to Soppy, I was wrong. It made feel very lonely.

Boring.
