Synopsis

Texas Estate Planning Statutes with Commentary: 2017-2019 Edition is a compilation of Texas statutes that are significant to law school and paralegal courses related to estate planning, such as wills and estates, trusts, estate administration, probate, elder law, and guardianship. Changes made by the 2017 Texas Legislature are printed in red-lined format to make the revisions easy for the reader to locate. Many sections include carefully written commentary entitled Statutes in Context. These annotations provide background information, explanations, examples, and citations to key cases, which will assist the reader in identifying the significance of the statutes and how they operate.
