Customer Reviews

Making no apologies here I simply loved Stealing Amy, yes it is totally left of centre but I could not put this down as Amy is a sensual woman and Andrew is just all alpha man This is fast paced, has great humour and continues on with the mystery story that surrounds the Disciples series.Now to be honest I did not overly enjoy book 1, Keeping Lily, it was too fast paced for me but all reviews I read

for book 2 said to read book 1 - I did and I am glad because you need to meet Lucifer before you get to Andrew. Lucifer is an interesting character and it is great to see him progress further in this next instalment.Amy and Andrew's connection both physical and emotional just clicked all the way and then add Amy's beautifully adaptable daughter Abigail and it just cements itself as a great romance read. I read this in a day, it gives you everything, passionate sex scenes and then mystery and suspense.We also return to see Lucifer and Lily who surprisingly felt more together as a couple and I actually enjoyed them in this book and also seeing more of their family.Jonathan and his interactions with Abigail, looking after her and Amy, he was a favourite character for me in Stealing Amy. I would also love a story on Simon as I think he will have a strong web of protection around his heart and it will take a special girl for him to lose control.

Really enjoyed the storyline and characters created by Izzy Sweet. Andrew, an ex-Navy seal killer, fits all the requirements of an macho alpha that ends up with a heart. Amy, his obsession, was a little irritating at times but finally got with the program.Went back to purchase the first book in the series as I really liked Izzy style of writing.

I thought the first book was amazing, but tbe second book topped it! The possessive, neanderthal type men and the single mom's they obsess over.....and the absolute hotness in how they treat their women and their drive to put their baby inside tbeir women is too hot for words. Please please please write hundreds....no, no, thousands of these! You've made me obsessed now! What will I do until another novel comes out?! I wish the first 2 never ended! If anyone knows of any men like this.....please send them my way. I think I may be ruined for the average man after this. Because no average man will tame the desire I have for a possessive, obsessive Neanderthal man

Ok, here it is 4:30 in the morning and I just finished another book by Izzy ans Sean. The Disciples series keeps me so wound up I can't and won't sleep till I get my fill. I want to start the next book NOW! They just can't turn the books out fast enough. Funny in spots, dark and dangerous in others, just eye popping excitement these books deliver.I'm keeping my eyes open and my Kendal charged waiting for the next book of the Disciples series.

Unquestionably a fantastic read. This book has it all. Andrew, a good-looking, rich, alpha Mafia man and Amy, beautiful woman with a child. Amy is entangled with Ivan, Russian mafia. He is obsessed with Amy and determined he will sleep with her. She has avoided sex with him as long as she can.

Andrew is after Ivan and in the process he kidnaps him and also Amy. A love-hate relationship begins between Andrew and Amy. I love a macho Mafia man that takes control. You MUST read this book as well the one before it Keeping Lily. I plan on reading all of Izzy Sweet’s books.

Amy is the obsession of the Russian mobster Ivan. She doesnt like him but she goes out with him because he threatens her daughter. Then one night Andrew who is part of Lucifers crew kidnap him outside of the restaurant and take her as well.Andrew knows he wants to make Amy his. He even brings her daughter Abigail to his house. She can leave but its not safe but if she stays she is his. She knows its wrong but she cant resist. He even gets her daughter on his side. Will Amy stay with Andrew until she is safe or will she escape for a quieter life.

I absolutely loved it. The poor girl goes from one bad guy to another. One abandoned her and the off was obsessed with her.Which led her to being in house arrest by the Mafia.Amy didn’t want to want Andrew but she did.She fought it tooth and nail until she realized how much her daughter loved him. She loved him.I was so sad that some side characters were killed, especially the tea party guy. He was so funny.I loved this roller coaster ride. I seriously need the sequel now. I need at least two more in this series.

I voluntarily read an ARC of this book and really enjoyed it. It had some interesting twists for a "mob" book. Not all "bad" guys are bad, our hero is really sweet and protective, and the scum are really bad. I read for enjoyment and relaxation and this book fit the bill. Twists and turns and a HEA for Andrew, Amy and Abigail.
