Synopsis

Maya Angelou’s five volumes of autobiography are a testament to the talents and resilience of this extraordinary writer. Loving the world, she also knows its cruelty. As a black woman she has known discrimination and extreme poverty, but also hope, joy, achievement and celebration. In the fifth volume, Maya Angelou emigrates to Ghana only to discover that ’you can’t go home again’ but she comes to a new awareness of love and friendship, civil rights and slavery - and the myth of mother Africa.

Customer Reviews

This book is well written in such a way that allows one to create a mental picture of each character, every place visited and the authors experiences as if you were there with her. Enjoyed the book very much and learned so much from it. It made me laugh, filled me with pride and also brought tears to my eyes. Dr. Angelou, you were truly one in a million! R.I.P

the book was not what I was expecting, but learned some history and sad facts about difficulties with the race inequality.

This book is a great book ,it picks up where the heart of a woman leaves off and it makes me want to travel the world .

a favorite author who tells it like it is !

I gave this book 5 stars because there is no other book like it. Maya shares her fascinating life story, her travels, triumphs, and tragedies so eloquently. Loved the book.

I love all of May Angelou's many books that I've read. Her writing is so honest and humbling. She writes about black culture in a way as you can understand, and appreciate her/their struggles. I enjoy her autobiographical writing in books more than the poetry. Since she was a famous poet laureate, it shows you what I know. This book was no more or less excellent than the other books that I have read, I know why the Cage Bird Sings, Me and Mom, Wouldn't take Anything for My Journey Now, etc. etc. She was a leader among women with fantastic accomplishment. I am blessed to have one of signed poems, Our Grandmothers.

This book is about roots, about coming home and about realizing that even if you fell homeless and unwelcome, you always carry your roots with you. It's a beautiful story, read it.

her books became less interesting as I read them
