Well written and easy to read and understand explanation of what the Holy Bible actually says about the purpose and meaning of the ancient earthly Sanctuary and Sacrifices built by God’s direction to Moses, as well as the Temple services in King Solomon’s Temple, and how this relates the the Heavenly Sanctuary and the Ministration of Jesus Christ therein. Although this is a much overlooked

subject by most Christian church's today, and a little difficult to understand without some study, this author does a great job explaining, and supporting that with Biblical citations. This book is certainly worth reading.

We all need to study and be prepared for the day is coming when we all get to go home

The most interesting theology and absolutely in conformity witn Bible.

Just could not wrap my head around this. To each their own. always interested in different faiths we all have are own journey.

totally warped book suggesting an investigative judgement in heaven is now going on

Exploring the Heavenly Sanctuary is a detailed yet easy to follow explanation into the Seventh Day Adventist theology regarding the ministry of Christ in the Heavenly Sanctuary. The author takes the doctrinal beliefs of the Adventist church and breaks them down into simple layman's language. Although not meant to be a theological in-depth study, he provides many Biblical references from beginning to end. He presents this subject in a way that anyone can grasp. I would recommend any who would like to know more about how the Old Testament sanctuary and its services point to Christ's ministry on our behalf, pick up this book. Very well written. I thouroughly enjoyed it!

I love the way the pieces of the puzzle fit together in presenting a gorgeous and inspiring picture of God and His dwelling place--the Heavenly Sanctuary. Thanks Marc, for sharing this information that will, no doubt, lead many to a new and transformed life with Jesus Christ.
