I have been teaching pas de deux for the past 3 years at my current studio. I am not the owner nor director of the company just a student that has been with them for 6+ years. This book tells you everything you want to know about placement, balance, turns, jumps, lifts and more.Very unique holds and cradles that are just so appealing! I would recommend this book to any dancer that wants to learn how to partner or any teacher that needs to teach something new.

Excellent source for partnering technique. Includes detailed information for both boys and girls. Perfect teaching resource!
