Dr. SeussÃ¢â ¬â„¢s long list of awards

includes Caldecott Honors for McElligotÃ¢â ¬â„¢s Pool, If I Ran the Zoo, and Bartholomew and the Oobleck, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have won three Oscars, three Emmys, three Grammys, and a Peabody.From the Hardcover edition.

My 2.5 year old has been asking to learn to read and after much research, I thought the two Dr. Seuss Beginner Book Collections would be a good place to start. Especially this one, with the ABC book, since he has to recognize all his letters before he can start sounding out words. We've been reading it every night for a week and he is already reciting his ABC's and able to announce which letter comes next before he sees it. Additionally, the books hold his attention, I enjoy reading them too, and the interesting mix of words, rhymes and odd stories seem like a great way to keep kids engaged. Neither of us have any issues with the quality of the books or thickness of the paper. Their the standard size, hardback versions and I'm very happy. Plus, what a great value!

These are the full size books~ Great buy. These are also the hardbacks so again great buy. It actually does come in this Dr.Suess book holder as shown and so this really is a GREAT BUY!

Great price and books. My 7 yr old has a collection now, and these books got him more interested in reading. Silly and fun, and worked like a charm for my reluctant reader!

5 year old great granddaughter loves these books and reads Cat in Haat to her little brother. This was an excellectin selection of Dr. Seuss for beginners.

Excellent selection of Dr. Seuss stories. I'm sure they will be enjoyed for years to come. A bit expensive, but I'm sure it will be worth it.

Really Good collection of Dr. Suess books. My granddaughters loved the collections.

My grandson and I read each time he visits. He thinks I bought the books for him, but I enjoy them as much, if not more, than he does!

My son loves it when we read these books. They are classics,
