Synopsis

When Catechism of the Catholic Church broke onto the N.Y. Times bestseller list, its astonishing success confirmed the overwhelming interest of Catholics and Protestants in understanding modern Catholicism. Has the recent openness among denominations affected Catholic teachings? In the new spirit of cooperation, is there any reason why Catholics and Protestants should remain divided?This powerful and insightful examination of the Catholic Church provides:a side-by-side comparison of Scripture with the first new worldwide Catholic catechism in 400 yearsa summary of how modern Catholicism views grace, works, and heaven24 ways the Catholic plan of salvation still stands in contrast to biblical trutha balanced overview of how the authority structure of the Roman Catholic Church compares with that of the New Testament churchan explanation of how participation in the Mass and other sacraments is inconsistent with faith in Christ as SaviorClear, accurate, significant information to know and shareÃ¢â ¬â ¢The Gospel According to Rome

Customer Reviews

James G. McCarthy is the founder and director of Good News for Catholics, Inc.Ã Â A former missionary to Ireland, Jim is producer/director of the popular video Catholicism: Crisis of Faith and author of The Gospel According to Rome, Conversations with Catholics, and What You Need to Know About Roman Catholicism.

McCarthy provides well-cited treatise on the tenets of Catholicism. This book is recommended to

anyone who desires to understand the truth surrounding this monolithic religion.

very detailed and helpful

A must read for anyone interested in The Catholic religion.

Answers all the questions as to why the Catholic Church is not a Bible-based Christian faith, but a man-made works-oriented religion. Both cannot be right, and this book gives definitive answers as to why.

The gospel According to Rome is an excellent read that compares the teachings of the Roman Catholic Church with Biblical Christianity. A Great book for understanding the heresy of Catholicism and the biblical truth of the true gospel by an ex Catholic . The author explores the beliefs of Catholicism in a respectful way. It further compares and contrasts the two gospels and never takes on a hateful or cynical tone while explaining how different Catholic Traditions and Biblical absolutes are compared and, for the most part, contrasted. He further takes you on a journey of a Catholic from birth to death.As a non-Catholic, this was a great read for me to understand the pitfalls and the heretical teachings of the church and firsthand insights into the Catholic dogmas and life in general.The church has continued to dishonor Christ, pervert Christianity, EXALTING Mary, dishonoring the bible, Receiving Christ at communion, etc. etc.I was simply stunned by the massive amount of heretical teachings the church espouses and how their doctrines differ vastly from the Bible. Furthermore, I am appalled and saddened that by doing so, the church is leading masses of their flock astray daily.I would urge every Catholic to read this powerful book "The Gospel According to Rome" and compare it to biblical Christianity and finally embrace Christ and the Bible alone to have a personal relationship with Him and ultimately find the freedom from the fetters of tradition that has enveloped them for so long.

McCarthy gives a clear, unbiased comparison between the Catholic and Evangelical positions of Scripture + Traditions vs Sola Scriptura (Scripture Alone). The book is well researched and well documented.

As a former Catholic this book was very enlightening about all the manmade traditions that form the Catholic church. Highly, high recommend this book.

If you are seeking the truth of the differences between the historic Christian faith and the Roman Catholic Church, this book will help you. The author is a former Roman Catholic priest. He is thorough in his study, but gentle to those who grew up Catholic. The foundational error of Roman Catholicism is irrefutably exposed if you use a reliable Hebrew-Greek Concordance such as Strong's.
