This book provides interesting info on Las Vegas but is a bit out of date. Things change fast in Las Vegas.

THE INSIDERS' GUIDE TO LAS VEGAS is a great book which, when coupled with TIME OUT LAS VEGAS, gives you a good idea on how to survive in Sin City, whether you're relocating or just vacationing there. Of course, some of the information in this book IS a little outdated, being that it was published in 2004, but if you pair it with TIME OUT LAS VEGAS, published late last year, that shouldn't be an issue.
