I have both the book and audio version. Reading/hearing it once is not enough. This book can totally change the way you think and relate to God in a real positive way!

Love this book, very inspiring

This book is so filled with God’s truth. I want to read it again so I can really take the time to devote my days to every chapter.

I have this on my Kindle and love it. It is part of my daily devotions and setting the pattern of my spiritual life...foundational at all levels of a Christians walk with Jesus. Unless you are "on the path", you are not. This will help you to recognize "the path".

My husband studied this in our Men’s Bible Study and I had no idea what my purpose in life was. Now, I have a better understanding of the design and mystery of God’s plan for my life.

I absolutely loved this devotional. Every single chapter spoke to me in so many different ways. It was blunt and filled with truth when needed, yet filled with encouragement and reminders of who I was created to be and what things in life, big or small, get in the way of that purpose. Would highly recommend!!!

It will help you in your walk to self discovery in the Christian Faith. Do meditate on the chapters, it helps you grasp what they mean to you personally.

I loved this book before I even got to the 1st chapter. Every single chapter definitely makes you put

your thinking cap on. I'm loving this book. I'm also enjoying the extra features that it has. I haven't finished the book yet, and I've already purchased a few more as gifts to family and friends. I definitely recommend this book to everyone, whether you have a good relationship with Jesus or not. I. LOVE. This. Book.
