Customer Reviews

Recommended by my instructor to improve left hand coordination and speed. After working with these excersizes for a few weeks I can already tell a difference.

Very good for intonation work, and hand positioning. Can be difficult, but it is effective.Recommended for violinists who require more of themselves

For granddaughter who asked me to get it for her.

Great stuff.

Juilliard and Curtis trained, I use these books every week in the techniques classes at the University!

Pretty good for beginners and moderately skilled individuals

Great Book

Everyone studying violin must have this volume.
