Synopsis

Updated for 2015! The study guide to accompany Famous Men of Greece, also published by Greenleaf Press. The Guide includes suggestions for how to set your study of ancient civilizations in a biblical context, as well as background information, vocabulary, and discussion questions. Also contains suggestions for supplementary assignments in children's versions of the Iliad and Odyssey, as well as selections from Plato. The biographies in the Famous Men books can be read aloud to younger students, or read independently by older students. The discussion questions in the Greenleaf Guide can be discussed one-on-one, in a small group, or (occasionally) anwered in writing. Parents and teachers will find them useful with students from second grade though high school. The thirty-one lessons in this guide are a gentle introduction to the history of Ancient Greece, using what Charlotte Mason called a Ã¢â ¬Å“living book.Ã¢â ¬Â• This guide will show you how to use the biographies in Famous Men of Greece with students in a wide range of grade Ã Â- levels.

Cyndy Shearer has a BA degree in English (summa cum laude) from Queens College (Charlotte, NC) and an MA in English from the University of Virginia. She has taught elementary, high school, and college students and home-schooled all eleven of her children. Cyndy and her husband, Rob, live near the town of Lebanon in middle Tennessee in the home where they raised their eleven Ã Â- children. They are the founders and co-directors of the Francis Schaeffer Study Center in Mt. Juliet, TN, where Cyndy teaches literature, and Rob teaches history to homeschooled high school

students.

I mistakenly ordered the guide rather than Famous Men of Greece, which contains very useful short biographies of ancient Greeks. The guide, on the other hand, consists of a few questions for each bio which in no way deepen the experience, or provide real guidance, in my opinion.

interesting book. came when it was expected

Brought ancient Greece and the Greek culture come alive for our three kids (12,11, 7). Tremendously useful list of extra readings and resources for each lesson. We were able to locate the majority of extra books in our local library. Good discussion questions. Helps Christian families see Greek mythology from Biblical perspectives. You can find some (much needed) scheduling helps by looking on the Greenleaf Press website, where Rob Shearer outlines his own lesson calendar. Truly excellent resource.
