Customer Reviews

My daughter (age 24) never used it. But I have started using it to tell her about my "precious

memories." Hopefully, it wil be worth a lot to her in the long run. It’s a beautiful journal.

Awesome journal for my granddaughter. Combines a journal and a coloring book. Inspirational quotes. Great book.

Love it!

My 10 yr old daughter loves it.

Great product!

Great idea and perfect for inspiring a young boy or girl write.

GREAT PRODUCT; FAST SHIPMENT.

Aptly described as a coloring journal. Every other page contains inspirational statements ir creative prompts, followed b a facing page with drawn borders for coloring and a big central area for written journaling or art journaling. Paper is not heavy enough for wet applications. Beautifully drawn and colored swirly cover that almost looks like marbling. It feels somewhat waxy. Is soft-bound, so not sure how durable it will be with mixed media added.
