Synopsis

Having trouble in your marriage? This book is for you. Tom Gardiner, a Chicago lawyer, explains how post-nuptial agreements can address marital problems effectively. Unlike counseling that often is no more than a temporary fix, this book talks about agreements that will result in long-term change. If your spouse drinks too much, for instance, you both agree in a legally binding document about the changes that need to occurÃ¢â ¬â •and the consequences if they donÃ¢â ¬â„¢t. Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â There is another huge advantage to post-nups. If the behavior is not changed and divorce is triggered, the terms were set when the parties were both seeking to save the marriageÃ¢â ¬â •not when theyÃ¢â ¬â„¢re going through an acrimonious break-up. These terms are usually reasonable and fairÃ¢â ¬â •who gets the kids and when, a fair amount of alimony for a fair term, division of the propertyÃ¢â ¬â •all because the spouses are seeking a solution at the time. Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â Ã Â This book covers the human frailties that can cause problems in a marriage: financial problems, drinking, drug use, cheating, blended families, in-law problems, inheritance, religious issues and so on. It is a book not just for couples, but for therapists, religious leaders and others who seek to make marriages stronger and divorces civilized and fair.

Book Information

Paperback: 240 pages

Publisher: Chicago Review Press (September 1, 2017)
