was made simple with the use of this book. Among the sections I found most useful were the trip-planning tips, park highlights, and details on a variety of activities. Whether you stay inside or outside the park, this guide offers ratings for everything ranging from hotels, to restaurants, and even attractions. This guide was all I needed for my week long trip to the Rockies!

This book is a dissappointment. Perhaps it has some value for hickers but not for the common visitor. Much better information is available in the web.
